25.11. – 27.11. | 02. – 04.12. | 09. – 11.12. | 16. – 18.12.

Every year during the Christmas period the famous wine town of Deidesheim is turned into a pre-Christmas treasure chest; along the „Heavenly mile“ between the Market Square, the Castle Park and town square, over 100 exhibitors will have set up a small world full of angels, crib figures, wooden toys, Christmas tree decorations and many other arts and crafts attractions for young and old.

Artisans determine the pre-Christmas scene in the lovingly decorated medieval town centre: Many of them can be watched over their shoulders during their activities whilst the “Marktmeister” traditionally watches over the entire market..

Quality takes a top priority at the numerous stalls offering food and drinks where a wide range of local specialities can be enjoyed.

Children’s eyes will shine like Christmas baubles when watching St. Nicolas and Knecht Ruprecht visit the market or when visiting the children’s bakery where they can bake their own cakes. Puppet’s theatre in the town hall.

For adults, there is also an extensive program with different events, including concerts in the churches and on the market square and art exhibitions in several ateliers.

The detailed framework program is available from the Tourist Information Deidesheim.

And of course, mulled wine will not be missing- offered by us in organic quality and served in the rustic Palatinate wine glasses – the Mini-Urschoppen.

Brass and alpine horns set the musical scene for this festival and in the darkness of night, the market is illuminated with torches and fires and on Saturday evening acrobats of fire show their art. Dürkheimer Advent – the Cradle of Advent

November 25th – December 18th

Bad Dürkheim is the cradle of the Christmas season because, in 1038, this is where today's Advent Sundays were defined for the entire Christian Occident, at the Limburg. In the light of this tradition, Bad Dürkheim celebrates the Christmas season between the Kurpark, the Ludwigsplatz and the Römerplatz. Atmospheric illuminations along the streets and alleys and in the shop windows invite you to stroll along past the craft stalls and stores. The inner town's retailers are open on Fridays and Saturdays up until the evening, during the Christmas market. On November 27th there is Sunday opening when the festively-decorated shops offer great gift ideas for Christmas.

The Dürkheimer Advent is framed by a varied program of music in the neighbouring churches and in front of the portal of the Church of St. Ludwig as well as on the stage on the Römerplatz. A very special children's program is on offer at the three scout's tents: a Christmas workshop where children can make their own presents, the Christmas Tent is where they can read and sing Christmas topics and in the Wichtelbäckerei they can decorate their own Christmas cookies. The children's program (Fri 16-18 pm, Saturday and Sunday 14-18 pm) is free of charge.

Also seasonal refreshments are available on all 12 days of Advent when the scent of mulled wines from Bad Dürkheim together with delicious food from grills and pots tease your nose and palate.

Opening times:

Friday 16:00 hrs to 21:00 hrs, Saturday 11:00 hrs to 21:00 hrs,
Sunday 11:00 hrs to 21:00 hrs
